Ex. 4 - CBI

Joanna and I definitely need to participate. I will be away until after the holiday. Will be in Philly on 2/22 for the Cabot meeting. We can schedule something next week. Rich.

Humane:

I would like to suggest a brief meeting some time next week to discuss the Administrative Records for the Dimock Residential Groundwater Site.

Rich, Joanna and Trish can join by phone if they'd like to participate.

You should have received a draft of the AR Index at this point to review and the documents are on SDMS.

The meeting can be brief - but we have a few questions and we want to make sure we've got everything correct.

We have until March 19th, to publish and provide a copy to the near site repository - but we also need time to get the public notice in the newspaper - so we're not real far ahead of the curve.

I'm in training all this week and next Wednesday - please let me know what times/dates work for you.

Thanks,

Paul
